

Creative portfolio of **Stacey Kemp**

In 1997 I delivered my first Jewellery Making course with just 5 students - it was the only course of it's kind at the time.

That number grew to 5000 over the next 20 years. Many students went on to teach jewellery making classes in their own home towns and communities.

Today, the fundamental aspects of this course are firmly grounded on the original - updated regularly with on trend materials and styles.

Miniature beaded purse, knitted

Professional pearl stringing

Memory wire jewellery

Gemstone jewellery

Tree of life - wirework

Aztec necklace - seed bead fringing

12 diverse techniques from the 90 designs created by Stacey Kemp

Tiny garland - seed beads and crystals

Semi precious stone - framed wirework

Cabochon brooch - bead embroidery

Beaded bracelet - Crochet

Rose monté bracelets - Loom work

Copper earrings - metal work
